Ms. Natalie A. Chilicki
Secretary, Columbus Section
7808 Heathermoor Drive
Columbus, OH 43235-4566

Dear Ms. Chilicki:

In accordance with Society Bylaw VIII, Section 1, f, the Committee on Constitution and Bylaws has completed its review of the proposed amendments to the Columbus Section bylaws. The Committee's final report, dated June 12, 2009, is enclosed.

The proposed amendments that were approved by the Columbus Section and the Committee on Constitution and Bylaws have been incorporated in the Section's bylaws. A bound copy of the newly certified bylaws, effective June 30, 2009, when membership category changes to the Society's Constitution and Bylaws become effective, is enclosed for the Section's files. An additional copy is enclosed for your convenience in case you need it.

If the previously certified copy of the Section's bylaws, effective March 19, 1998, is available, you may return it to me so that I can invalidate it. The invalidated copy will then be returned to you to be placed in the Section's archive files.

When the Committee on Constitution and Bylaws can be of assistance on amendments in the future, please let me know. We look forward to working with you and other officers of your Section in revising your bylaws in the future, as needed.

Sincerely,

A handwritten signature in blue ink that reads 'Barbara F. Polansky'.
